

AdmiCash update information 8.0.5.0

Important: Please install necessarily the AdmiCash version 8.0.6.0 if the auto update has not already installed it. Check the version with "Help – Info about AdmiCash...".

For manual installation, go to the [Homepage AdmiCash](#) on the section "Download" and use the document [Update information 8.0.6.0](#) for the next steps.

You can always call update information 8.0.6.0 directly from AdmiCash. Select the menu "Help – Info about AdmiCash...".
